THE PANDEMIC
UNCOVERS
EVERYTHING
AND MAKES
EVERYTHING
EVIDENTLY
OBVIOUS.

What a year ... as you have seen last year we came up with our 10 lessons learnt during the ten years of running Success Across. We are adding our lesson learnt during 2020

THE COVID-19 PANDEMIC YEAR.

No matter which situation you find yourself in, Corona can be seen as an accelerator for bringing up latent and or hidden realities to the surface. Independent from the field you are looking at.

WE ARE LOOKING AT HUMAN INTERACTIONS.

Because this is the area we are working in.
Step back; think a moment of what happened to you on the relationship level in 2020? Everything – and I am telling you that none of the things that surfaced are completely new – became obvious and visible.

GOOD AND BAD.

At the end of the day, it doesn't really matter if it was good or bad – at least it is out in the open.

NO MORE DOUBT. NO MORE EXCUSES.

This results in a new reality. In a more truthful reality. Painful, in some cases. Liberating in others. When we liberate ourselves from doubt and excuses:

WE HAVE A CHOICE. IT ALL COMES DOWN TO YOUR SELF-DETERMINATION.

This is what I have experienced personally. And this is what I witness during my workshops and coaching sessions with my clients. The same process of liberating yourself from your doubt.

Basically – especially with the group of my academic clients – I have met an entire generation that is »facing the shit«. However, despite their circumstances, these young people are not willing to compromise on their future. They know what they want and they know their market value. They are brave enough to see where they fit. They are brave enough to see where they don't fit.

THE YOUTH IS LEADING THE DIRECTION.

Let's join them on their journey of truth and courage. Responsibility and healthy distance.

Let me close with Amanda Gorman:

»WHEN THE DAY COMES
WE STEP OUT OF THE SHADE,
AFLAME AND UNAFRAID
THE NEW DAWN BLOOMS AS WE FREE IT
FOR THERE IS ALWAYS LIGHT,
IF ONLY WE'RE BRAVE ENOUGH TO SEE IT
IF ONLY WE'RE BRAVE ENOUGH TO BE IT.«

The day has come.

It has been a gift to have been in countless situations in 2020 in which »the day« has come. Nothing will ever be the same. And this is a great start into a new era.

EMBRACE 2021!
